

VOLUNTEER WITH US

Our volunteers are essential to our programs and we could not do what we do, without them.

Volunteers help support Safelight with day-to-day operations and help create an uplifting environment for our clients. Their dedication to our mission and love for helping others makes them irreplaceable.

CUSTOMER REVIEWS

"It was my first time eating at dandelion today. The food and service were excellent. My glass of Arnold Palmer never stayed empty and the food was commendable. Great service!"

"Excellent food and love supporting a good cause. Hubby had the shrimp and grits and he swears it is the best shrimp and grits he ever had in his life - and he is a Southern boy! He knows his grits."

Safelight offers free, confidential help for adults and children affected by interpersonal violence. Our services include a 24-hour crisis line, emergency shelter, advocacy, counseling, case management, support groups, job training, and more.

Dandelion is a part of our paid job training program at Safelight. Our client internship program provides onsite job training for survivors of interpersonal violence. We provide an educational and supportive environment for those who may be at risk by rebuilding financial and emotional self-sufficiency.

Participants gain job experience and interpersonal skills while receiving additional services for themselves and their families.

These internships provide a safe space for survivors while building workforce development in our community.
